

Maid Marian's Ladies

Track 5: full version
Track 16: backing track

1 We are Maid Marian's ladies,
We care for her needs every day,
Brushing and combing her tresses
And helping in any old way.
If there's a pimple that shows,
We powder her nose,
We smarten and straighten her clothes.
If there's a shoe that won't fit,
We stretch it a bit,
So nobody here would ever, ever know.

2 We are benevolent ladies,
Supportive in every way.
We give advice and assistance
And keep all those problems at bay.
If there's a dip in her slip,
We hitch it a bit,
Then get out the needle and thread.
If there's a hair gone astray,
We never delay
To comb every hair on her pretty little head.
