**Cottage Description**

*This is our view from our holiday house right next to the harbour in Amble. It has 3 bedrooms and an open lounge diner kitchen. There are two double bedrooms and one with two single beds. There is an en-suite and a bathroom upstairs and a toilet downstairs. There is parking for two cars.*

*The nearest shop is five minutes on foot and there is a new Morrisons. It used to be a busy port exporting coal but now has a marina, good fishing and lots of walks. The coast has long sandy beaches, castles, sand dunes, flowers and birds to mention just a few of the attractions. From Seahouses you can visit the puffins and other birds on the Farne Islands, and from Amble you can visit Coquet Island about a mile off the coast.*

*To the left as you look out of the window is a lagoon that fills at high tide but the water is never more than knee deep and the sand is excellent for sandcastles. To the right are lots of rock pools for endless entertainment.*

*Dogs are welcome.*

*We ask people to bring their own sheets and towels but other bedding is provided.*
