

SLEEPING

- 1 Sleeping, she's sleeping,
Silently she's breathing.
Dreaming, she's dreaming,
Peacefully she's sleeping.

CHORUS *Maybe one day,
Maybe some day,
You'll be with us again.
Till that moment,
Till that happens,
We'll be waiting till then.*

- 2 Watching, we're waiting,
Patiently we're staying.
Hoping and praying,
We'll be here just waiting.

CHORUS and Verse 2 together

BRIDGE *You were good to us,
You were kind to us,
Always full of love.
We'll remember you,
We will treasure you
Always in our hearts.*

INSTRUMENTAL

Sleeping, she's sleeping,
Sleeping, she's sleeping.
