

# TAKE THE APPLE!

## **Malodorous**

- 1 One pinch of 'Sleep forever',  
One touch of spider slime,  
A twist of stormy weather  
Just for you, Snow White!

## **Malodorous & Cronies**

- 2 One piece of poisoned frog poo,  
One glug of 'Say goodnight',  
A splash of goblin snot juice  
Made for your delight!

## **All**

**CHORUS** *And when she takes the apple, tastes the apple,  
Just a little bite and I'll be ever thankful,  
Take the apple! Taste the apple!  
I will be the finest of them all!*

## **Malodorous (with group)**

- 3 One cup of curdled vomit,  
One waft of 'Wave goodbye',  
A pound of pus-filled maggots  
Stirred with jealous lies!
- 4 One round of evil laughter,  
One slice of eyeball pie,  
A curse for ever after,  
Happiness denied!

## **CHORUS x 2**

## **Malodorous**

*Take the apple!*
