

# THE JOB WE DO!

1 I'm **DIGGER**,

I'm dogged, determined, no quitter!

There's no one who can make a tunnel bigger.

With diamonds I'll always deliver,

**All**

Together we can do the job we do!

2 I'm **GAFFER**,

I've earned it, I've climbed up the ladder!

So please don't waste my time with chitter-chatter.

We're here on a mission that matters,

**All**

Together we can do the job we do!

**CHORUS** *We are the people to get the job done,  
But we all need each other, we're working as one.  
There's not another team under the sun  
That I'd rather have here by my side!*

3 I'm **SPEEDY**,

I'm super-efficient, believe me!

I'll do the job so fast you'll hardly see me.

I'm working like lightning, it's easy,

**All**

Together we can do the job we do!

4 I'm **BURLY**,

I'm partial to push-ups and burpees,

One hundred reps complete by seven-thirty!

These muscles are solid and sturdy,

**All**

Together we can do the job we do!

**CHORUS**

5 I'm **COOKIE**,  
My dishes are all that they could be,  
I make the perfect sticky-toffee puddy!  
It's lovely they call me the foodie,  
**All**  
Together we can do the job we do!

6 I'm **PICKY**,  
'Cause standards can drop in a jiffy,  
And finding perfect diamonds can be tricky!  
I'm fussy, I'm choosy, I'm gritty,  
**All**  
Together we can do the job we do!

**CHORUS** *(with optional harmony)*

7 I'm **CLERKY**,  
I promise we'll finish what's started,  
I'm head of operations, I'm a smarty!  
With schedules my life is a party,  
**All**  
Together we can do the job we do!  
Together we can do the job we do!
